

Q. Will there be similar vendors on the same day?

A. No, we will keep each vendor to its own category for the day. For example, 1 vendor will sell meat, 1 vendor will sell candles, etc.

Q. What is our goal?

A. Meet the needs of the community by offering products that simplify their shopping with the best selection and providing a great atmosphere.

Q. How will we advertise?

A. We will post on our website, Facebook, Instagram and other social media platforms as well as incorporating our market on other websites that share related information.

Q. What time do I show up?

A. Our gates will open up at 7:30am for all vendors. We would like everyone to be ready to go 15 minutes prior to our market opening. Our market opens at 9am and runs to 2:00pm.

Q. What do I need to set up?

A. We ask that each vendor bring everything required to operate your space, table, chairs, portable generator, tent, etc.

Q. How much product should I bring?

A. Enough diverse selection to fill a table.

Q. May we leave early if we sell out.

A. Early breakdowns and departures are not permitted. Stay and enjoy the farm until 2:00pm.

Q. Have questions during market

A. Please notify the market manager immediately of any issues you might be having on-site and we will help you in any way we can.

Q. Payment systems

A. We have Wi-Fi on site and appreciate the fact that a few vendors have their own hot spots. We allow our vendors to accept any means of payment they are comfortable with.

Q. What if I can't make it for every market?

A. You can sign up for whatever date(s) you can attend. You are not required to attend every market.

Q. Do you allow reselling?

A. Although we would like everyone to sell goods/foods that they grow and make themselves, we will allow a certain percentage of resellers to operate.
