

A Market Is Only As Good As Its' Vendors

Driving Wind Farm is once again hosting a Pop Up Market for 2025. We are incorporating any/all types of vendors on days from June - October (typically Saturdays).

As we are looking to expand the market, our goal is to partner with as many businesses as we can comfortably accommodate. We appreciate variation in our booths – foods, crafts, art and other specialties.

If you are interested in partnering with us, please fill out the vendor application form and someone from our team will follow up with you.

Registration Information

Vendors are encouraged to sign up for the entire duration of our market season. All vendors must submit their signed application form and registration fees before your booth can be reserved. Vendor fees are non-refundable. Please note you are not accepted as a market vendor without written confirmation from the Market Manager. Vendor space is considered a 10' X 10' space. Please note no specific location requested can be guaranteed each week. The market will be filled first by seasonal vendors who commit to every market date and any spaces still available will be open to single day/intermittent vendors.

All tent, canopies, and the like must be weighted for safety. Tents should not be staked into the ground.

Vehicles owned by vendors or someone working for a vendor are to be parked behind the selling area unless otherwise approved by the Market Manager.

If you know you will miss a week, please notify the Market Manager a week in advance with a reminder. Please note all fees are non-refundable.

Health Regulations

Vendors and their employees are responsible for informing themselves about and complying with federal, state, and local health regulations and licensing requirements governing the production, distribution, sampling and sale of their products. All necessary Health Department rules apply.

All non-food items sold in Indiana are subject to sales tax. It is the responsibility of each vendor to obtain a Registered Retail Merchants Certificate.

Insurance

All vendors must carry their own general liability insurance. Certificates of Insurance are due when the application is submitted and should be attached to the vendor application form.

We certainly hope you can join us for a few days if not our entire 2025 season!
